

TOGETHER, WE MADE IT IN 2022!

Despite the challenges, there is reason for optimism in 2023

We are ending 2022 in high spirits with a renewed sense of energy as we were able to overcome the difficult effects of the COVID-19 pandemic. We attribute our successful journey to being able to work together harmoniously as ONE team and focusing on solutions to achieve

our goals in 2022. There were challenges and obstacles along the way but the various working teams remained dedicated, resilient and innovative. We are definitely ready and gearing up for 2023, optimistic from experiences and lessons learned from the past.

A BLACK & WHITE CARMELRAY CHRISTMAS CELEBRATION

The Mills Country Club
15 December 2022

For the past 2 years, Carmelray held its Christmas celebration via ZOOM- it was fun and fine as we did not allow the recent pandemic to dampen the Christmas spirit. However, 2022 seems like a revenge year for everything so last December 15, we had our first in-person Christmas celebration. Everyone came in Black White colored attire. The program began with a Thanksgiving Holy Mass, followed by a sumptuous lunch, recognition of Service Awardees and an exciting Carmelray Live Variety Show where everyone participated and enjoyed. Special prizes were raffled off to 3 lucky winners. More dancing capped this special occasion and we were all just happy to be together again.
